

Big Horn Christian Elementary School

Fundraising Drive

We have two plans in effect to fund our school. The first is to attain the moneys for the start-up costs. We need the first year's expenses covered up front. Take a look at our table on the left and please choose an area to help out with. The second phase of our fund raising efforts is a Long-Term Maintenance Plan which will raise money for the next school year. Our goal is to have 250 pledges at \$25/mo (\$300/yr). This plan will secure \$75,000 which will cover all our estimated costs for the next school year and sponsor many of the students who come from needy families. However, we will thankfully accept any amount donated.
