

Big Horn Christian Elementary School

Fundraising Drive

2010

The Big Horn Christian School family exists to show children Jesus, nurture their love for Him and others, teach them to think, and empower them to serve.

Dear Supporters of Christian Education:

We did it! In September 2009, Big Horn Christian opened its school doors to six students; fresh, bright faces full of eagerness to learn about Jesus. The next few months were full of activity as we hit the ground running, the entire church rallying to fill the needs of this vital mission. There was much laughter, and a few tears, as we jumped each hurdle, yet the greatest emotion was joy as we saw the children's spiritual growth bloom within the school. The contributions from our friends and families have been the foundation of this miracle, and we are so grateful for their support. God is good!

Once again, it is time for the very important task of a letter campaign. Though Big Horn Christian has successfully completed its first year, we are eager to go on. A mission of this size is too great for one small church to fund, yet we are partnered with the greatest business partner known to man...our Heavenly Father! Though the current economic conditions are challenging, through the Holy Spirit's conviction and your support, we have accomplished much. Thus, we are looking again to you, friends and family who are strong supporters of Christian education, for help.

This year as you give your support to our mission of providing a Christ-centered, character-building education, please visualize what each dollar can do. We feel God has led each child to our school, and as the only Christian elementary school in Buffalo, WY, this mission is vital! No gift is too small...Remember the Widow's Mite? Jesus said her gift was greater than all the rest, because she gave all that she had. Please pray that even the smallest gift can be used to glorify God through our children.

Thank you for your donation to support Big Horn Christian Elementary!
